

The One-Line Review

A concise guide to the cinematic and televisual arts

Roxy (2010)

USA

Short Film

Writer/Director/Cinematographer: **Shirley Petchprapa**

Cast: **Damien Puckler, Roxy Puckler**

There are echoes of J.D. Salinger's *A Perfect Day for Bananafish* (1948) in Shirley Petchprapa's intensely sensual and ethereally beautiful self-financed short film, which wallows in the poetry of the every day, finding the beauty in acts as simple as a man watching television, running a bath, and even just cleaning his teeth, whilst his dog, Roxy – the film's real star – lolls around with effortless elegance.
